# Setting Up Your Browser

If you want to set up your browser for tomorrow's study select the sentence below.

You will see the above comment, as you complete each day's studies. You can dedicate a browser or browser page to your studies. You would simply select the sentence at the bottom of the page and keep it open for the next day. If you use a different browser for your studies, you will have less problems keeping the page open.

## Before You Leave A Study/Prayer Time

It would be great, if you can keep your place in your studies by devoting a browser or browser page to your studies. However, if that isn't possible or you lose your browser page, your "My Counseling With Jesus Record" will help you get back there. Your Record Sheet should be filled out before you leave your study for the day.

The title of the series will be at the top of the page. The day of the week will be to the right of the picture on your Day Page. It will say something like: "This is your first day of this week. You are on page one of two pages."

## Getting Back To A Study

Once you have started your studies, you will be able to use the "I'm A Regular Participant" Bar to get to your next study page, so you can continue your counseling with Jesus.

1. Just go to [biblelifecounseling.com](http://biblelifecounseling.com) and select "I'm A Regular Participant."
2. Select the problem that you and Jesus decided was the one you needed His counseling on. If you are in the Discovery Series and are going through, "Finding The Right Problem" or "Finding The Right Spiritual Attitude," you probably haven't picked a problem yet. Just select the "Life" issue for personal issues and the "Spiritual" word for spiritual issues.
3. In your Regular Participants Navigation Box, go to the name of the study you are doing with Jesus and choose the week of that study/prayer series. Then on the Week Page, select the day you are ready to go to next. That will take you to the Day Page, where you will have one page of studying truths and one page of prayers.
4. After you have finished your two pages of truths and prayers, you can choose the sentence: "Select This If You Want To Set Up Your Browser For Tomorrow's Material." You would then keep your browser page open, and fill out your "My Counseling With Jesus Record." Or you can fill out your "My Counseling With Jesus Record," close your browser, and follow these four steps tomorrow.

It will only take a few times of going through these four steps and you will be doing it automatically. It is very easy to see how it all works, as you get used to it.
